Respected Sir,

I am writing to formally request to work under your supervision for my **B.Tech Thesis Project II (BTP-II)**.

This request is regarding my term project submitted in the "**Architecture and Protocols for IoT**" course during **Semester 7**. Upon your initial review, you suggested that I connect with your TA, **Mr. Biswajit Ghosh**, to evaluate the scope of the work.

I have since had several meetings with Mr. Biswajit Ghosh. After reviewing the project, he suggested that with some specific improvisations and innovative changes, the work has strong potential to be published as a conference paper. To achieve this, I need to dedicate substantial time to research and development in the upcoming semester.

Therefore, I request you to kindly accept me as your **BTP-II** student so I can proceed with this work under your guidance.

Additionally, my Faculty Advisor, **Prof. K .Sreenivasa Rao**, requires a formal email consent from you to process the change of supervisor. Could you please reply to this email confirming your willingness to supervise me?

Thank you for your time and guidance.

Regards

Darapu Adhithya Shiva Kumar Reddy
22CS30019**Prof. Sudip Misra, IIT Kharagpur** <sudipm@iitkgp.ac.in>
